

Privacy Policy

Our online tutoring program (at myetutoring) is committed to protecting the privacy of our users, including students and parents (collectively, "Users"). This Privacy Policy explains how we collect, use, and disclose information about our Users, and the choices available to them regarding our use of their information.

Information Collection

We collect information from Users when they register for the Program, including their name, email address, and contact information. We also collect information about the student's name, age, grade level, and subjects they are seeking tutoring in. We may also collect information about the student's performance in the Program, including test scores and progress reports.

We use this information to provide the Program's services, communicate with Users, and improve the Program. We may also use this information to send Users promotional materials, such as information about upcoming events or new features of the Program.

Information Sharing and Disclosure

We do not sell, rent, or otherwise share User information with third parties for their marketing purposes. We may share User information with third-party service providers who assist us in operating the Program, such as hosting services, customer support, and payment processing. These service providers are contractually bound to use User information only as necessary to provide the services for which they are engaged. We may also share User information as required by law, such as in response to a subpoena or court order, or to protect the safety, property, or rights of the Program or its Users.

Security

We take reasonable steps to protect User information from unauthorized access, use, or disclosure. We use secure servers and other appropriate technology to protect User information, and we require our service providers to do the same. However, no data transmission over the Internet or any wireless network can be guaranteed to be 100% secure.

Changes to this Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices or applicable laws. We will notify Users of any material changes by posting the updated policy on our website and/or by email.
